A Firefighter

A fire fighter is a person who fights with destructive fire. He is a familiar figure in our country. Firefighters are seen in each country in the world. There is no country in the world where there is no fire service. However, a firefighter generally works in the fire department. He wears his departmental uniform. His main job is to put out fire. It is a very risky job. Physical fitness, strength, courage, speed, balance are very important for this kind of job. A firefighter always remains on duty. When he gets the news of any accident, he goes to the spot. Then he fights with fire and saves others’ lives at the risk of his own life. He is a great social worker. He plays an important role in our society.

In fact, a firefighter is a protector of our society. We should respect him for his noble work.

Sidr in Bangladesh

Bangladesh is a land of natural calamities. Every year earthquake flood, cyclone, drought etc visit our country. Sidr is one kind of cyclonic storm. It looks like an eye. It was a terrible cyclone of the 2007 season. Sidr attacked the southern coastal areas of Bangladesh on 15 November, 2007. It violently hit on the southern districts of both Khulna and Barisal divisions. The cyclone ‘Sidr’ broke all the records of the past. It had caused a great damage to crops, property and animals. Houses, cattle and other animals were washed away. Trees were uprooted and roads and crops were gone under water. Thousands of people became homeless, shelterless, foodless, clothless. Many people and wild animals died. Our government took proper steps to help the affected people. The government also wanted help from foreign countries. They have also extended their help. During Sidr both people and young students helped the affected people in many ways. In fact, Sidr was a terrible cyclone. The people of our country will never forget it.

Cyclone Aila

Bangladesh is a land of natural calamities. Every year earthquake flood, cyclone, drought etc visit our country. The word ‘Alia means dolphin. Aila is one kind of cyclonic storm. It was the second tropical cyclone of the 2009 season. It was created by tidal surge of the Bay of Bangal. Aila violently hit 14 districts on the south –western parts of Bangladesh and west Bengal in India on 25th May 2009. The coastal areas of Bangladesh were largely damaged by Aila. It was more serious than Cyclone Aila. The cyclone ‘Aila’ broke all the records of the past. It had caused a great damage to crops, property and wild animals. Houses, cattle and other animals were washed away. Trees were uprooted and roads and crops were gone under water. Thousands of people became homeless, shelterless, foodless, clothless. Many people and wild animals died. Our government took proper steps to help the affected people. The government also wanted help from foreign countries. They have also extended their help. During Aila both people and young students helped the affected people in many ways. In fact, Aila was a terrible cyclone. The people of our country will never forget it.

My Favourite Games and Sports

There are many games in our country. They are football, cricket, volley-ball, tennis, badminton, hockey etc. My favourite game is football. It is very interesting and enjoyable. The game is played between two teams. Each team has eleven players. There are one goalkeeper, two backs, three half-backs and five forward players in each team. There are a referee and two linesmen. They conduct the game properly. When the referee whistles, the game starts. The game runs for ninety minutes. All the players have
to obey the rules of game. Football is a popular game in the world. It keeps our body fit and strong.

**Liberation War Museum / A Great Experience of your Life**

Liberation War Museum is an important place for our nation. There are many relics of our freedom fighters in this museum. It is situated at Segunbagicha, Dhaka. Last month I with my parents visited the museum. There are six galleries in the museum. These galleries exhibit rare photographs, documents, newspaper clippings and objects used by our freedom fighters and martyrs. At gallery-3, there is independence’s declaration copy by Bangabandhu Sheikh Majibbur Rahman. At gallarer-6, we find a pair of glasses, a pen, a note-book, a money bag, a mudded shirt and other things used by our freedom fighters and martyrs. It is a great experience of my life.

**My evening activities/What I usually do in the evening**

Every man does some activities in the evening. I am a student. I have some activities in the evening. I always do my duties according to a routine. In the evening, I wash my face and hands. Then I take some light foods. I go to my reading room and study from 6.30 p.m. to 9.30 p.m. At first, I complete my homework. After completing my study, I watch cartoon on TV. Sometimes I play video games on computer and read newspapers. At 10.30 p.m. I take my dinner with my parents. Then I brush my teeth. I go to bed at 11 p.m.

**Saint Martin’s Island**

There are many beautiful places in our country. Saint Martin’s Island is one of them. Saint Martin’s Island is the only coral island in Bangladesh. It is a small island. The local name of the island is “Narikel Jinjira.” It is very beautiful to see. It has different shapes and colours. There are different kinds of fishes in this island. There is a tourist spot. It is 26 nautical miles away from Teknaf. Anybody can go there by sea bus. The island is full of natural beauties. Many tourists come to visit here every year.

**My Home Town**

The name of my home town is Kushtia. In the past Kushtia was a part of Nadia. Kushtia was created as a district in 1947. However, Kushtia is a small town under Khulna Division. It stands on the river of Gorai. The area of Kushtia district is about 1621.15 square kilometers. About 25 lacks people live here. They are Muslims, Hinduism and other religions. It has six upozilas, 61 union parishads and 978 villages. It has one public university (Islamic University), one public medical college and public schools and colleges. It has also private schools, colleges and universities. Besides, there are big shopping malls, hospitals, clinics, temples, mills and factories etc in our district. Kushtia is the home of many famous poets, authors, singers, actors and actress. It is well-known to all for Shilaidaha Kuthibari and Lanon Shai Mazar. In fact, I am very proud of my home town.

**Leisure Time**

Leisure means free time. It is very important to enjoy life. Every man has leisure time. People spend their leisure time by reading, writing, drawing, walking, fishing, watching TV, gardening etc. I am a student. I have also leisure time. My leisure time is different from others. In my leisure time, I read story books and English newspapers. Sometimes I watch TV and play
I also go to the playground and play football and cricket. It keeps me fit and brings peace for boring life. I get much pleasure from my leisure time.
